

Announcing the 2nd Annual Meeting Of The Liberal Gun Club

Jun 24th, 25th and 26th, 2011
Hickory Knobb State Resort Park
McCormick, SC

Once again its time to meet up with your fellow LGC members, participate in the business end of the club, shoot some firearms, and maybe even learn a few things. This year we have moved from the big city to the small town - from Chicago, Illinois for last year's meeting to rural McCormick, South Carolina for this year's meeting. Never fear, we actually have more meeting space, more things to do, better facilities and access to a whole lot more fun. Last year's meeting was an amazing start to an annual tradition, but this year we have upped the ante.
